Content Writer

Detail-oriented and creative Content Writer and Editorial Specialist with over 4 years of experience in digital publishing, research-driven storytelling, and high-volume content production. Proven expertise in curating AI-assisted drafts, refining brand voices for US-based audiences, and maintaining rigorous quality standards in fast-paced production environments. Skilled in structural editing, proofreading for flow and intent, and delivering polished, web-ready copy across diverse business sectors.

WORK EXPERIENCE

Empower Desk • Remote • 01/2025 - Present

Digital Content & Engagement Lead

- Execute high-volume digital content lifecycles, overseeing the drafting, editing, and publishing of high-quality assets.
- Curate AI-assisted content to ensure brand voice consistency and natural phrasing, improving workflow efficiency through smart tool integration.
- Maintain strict quality control over all published copy, ensuring clarity, engagement, and alignment with audience-specific briefs.
- Structure complex information into scannable digital formats, managing multiple content threads simultaneously without quality drift.

Weavers Studio • Kolkata • 05/2025 - 12/2025

Lead Research Coordinator & Editorial Assistant

- Transformed complex archival research into reader-friendly website content, ensuring a natural US tone for international dissemination.
- Refined editorial workflows by ~30%, implementing structured templates for reporting and digital storytelling.
- Collaborated with cross-functional teams to align visual elements with polished copy, ensuring a consistent and professional brand identity.
- Performed rigorous proofreading on 10+ structured reports, focusing on technical accuracy and linguistic flow.

Mercuri Magazine • Remote • 01/2023 - 01/2025

Staff Researcher & Editorial Lead

- Produced 5+ long-form and short-form website pieces annually, adapting tone for various target audiences and ensuring zero grammatical errors.
- Edited contributor drafts for clarity and flow, preserving the original intent while significantly improving readability and engagement.
- Conducted in-depth research to understand diverse business/cultural contexts, translating findings into compelling website copy.

- Managed the full content lifecycle within a process-driven environment, consistently meeting daily and weekly production timelines.

Birla Academy of Art and Culture • Kolkata • 03/2024 - 05/2024

Display Team Head

- Led narrative design and exhibition storytelling, ensuring all display boards communicated clear, scannable, and engaging information to visitors.
- Managed high-pressure deadlines, overseeing the curation of 700+ individual items within a 48-hour production window.
- Developed layout strategies to guide visitor flow, applying a logical hierarchy to physical content similar to web-reading structures.

EDUCATION

B.A. (Honours) in History

Jadavpur University • 01/2025 - Present

High School Diploma in Sociology and History

Patha Bhavan • GPA: 95%

Specialised in Sociology and History.
